► Movement verbs – A1 English Vocabulary

Mirror Move Challenge

How :

1. I say: “Be my mirror. Copy me.”
2. I do tiny movements in frame (hands/shoulders/head) and narrate them:
 - “I’m moving **slowly**.”
 - “I’m moving **quickly**.”
 - “I’m moving **to the left / to the right**.”
 - “I’m moving **forward / backward**.”

- I'm climbing **slowly up**.
- "I'm turning **clockwise / counterclockwise**."

3. Student copies and repeats your sentence.

If they repeat the sentence correctly → +1 point. If they forget the adverb/direction → you get the point.

Part 2: Grammar Points

A) Adverbs (HOW WE DO THE ACTION)

*It rained **heavily**.* (=We are describing how it rained.)

*He always replies **quickly**.* (=We are describing how he replies)

Slowly

Carefully

Quickly

Quietly

Loudly

Happily

Sadly

The rule:

Adjective → adverb = +ly (slow → slowly, quick → quickly)

We use adverbs of manner **after the verb** or, if there is an object, **after verb + object**.

*He drives **carefully**.*

*She plays the guitar **well**.*

Not all adverbs use -ly.

Example: **fast** → ‘run fast’ (not *fastly*)

well (special: *good* → **well**)

- “She dances **well**.” (not *goodly*)
